AIDS*info*®

Resource providing the latest federally approved treatment guidelines for health care professionals as well as information on treatment, prevention, and research.

aidsinfo.nih.gov

Chemical Hazards Emergency Medical Management (CHEMM)

Online resource enabling first responders and other health care providers and planners to plan for, respond to, recover from, and mitigate the effects of mass-casualty incidents involving accidental or terrorist chemical releases. CHEMM is downloadable in advance so it can be used if Internet is not available.

chemm.nlm.nih.gov

ClinicalTrials.gov

Registry with location and contact information of federally and privately supported clinical research for a wide range of diseases and conditions.

clinicaltrials.gov

DailyMed®

Vehicle for access to information about marketed drugs, including U.S. Food and Drug Administration labels (package inserts).

dailymed.nlm.nih.gov

Drug Information Portal

Gateway to current and accurate drug information from NLM and other government agencies.

druginfo.nlm.nih.gov

Genetics Home Reference™

Consumer-friendly information about the effects of genetic variations on human health.

ghr.nlm.nih.gov

Haz-Map®

Database linking jobs and hazardous tasks with occupational diseases and their symptoms.

hazmap.nlm.nih.gov

Health Hotlines

Directory of health-related organizations with toll-free telephone numbers.

healthhotlines.nlm.nih.gov

Health Services and Sciences Research Resources

Database for health care researchers and health sciences librarians seeking data resources used in health services research, the behavioral and social sciences, and public health.
