

Resources for Public Health Professionals

AIDSinfo®

Resource providing the latest federally approved treatment guidelines for health care professionals as well as information on treatment, prevention, and research.

<https://aidsinfo.nih.gov>

Spanish: <https://infosida.nih.gov>

AIDSource

A comprehensive online resource that provides access to high-quality, accurate, and timely HIV/AIDS information for patients, caregivers, health professionals, educators, and community-based organizations.

<https://aids.nlm.nih.gov>

Community Health Maps Blog

Tool for community-based organizations to learn about free and low-cost mapping tools.

<http://communityhealthmaps.nlm.nih.gov>

Genetics Home Reference™

Consumer-friendly information about the effects of genetic variations on human health.

<http://ghr.nlm.nih.gov>

Haz-Map®

Occupational database linking jobs and hazardous tasks with occupational diseases and their symptoms.

<http://hazmap.nlm.nih.gov>

Hazardous Substances Data Bank (HSDB®)

Comprehensive, peer-reviewed toxicological and environmental data for chemicals.

<http://toxnet.nlm.nih.gov>

Health Hotlines

Toll-free numbers and links to a variety of health information including AIDS, cancer, maternal and child health, aging, substance abuse, disabilities, and mental health.

<http://healthhotlines.nlm.nih.gov>

HealthReach

Multilingual and multicultural public health resources for health educators and providers.

<https://healthreach.nlm.nih.gov>

Health Services Research (HSR) Resources for Public Health

Portal for up-to-date research resources for public health, including news, funding, colleagues, topics (HSRProj database), and datasets and survey tools (HSRR database).

<https://www.nlm.nih.gov/hsrinfo/>

LactMed® (Drugs and Lactation Database)

Database of drugs, dietary supplements, and other chemicals to which breastfeeding mothers may be exposed and the effects of those agents on nursing infants and lactation.

<http://lactmed.nlm.nih.gov>

MedlinePlus®

Consumer health information in English and Spanish including diseases, wellness topics, drugs, supplements, news, tutorials, and videos.

<https://medlineplus.gov>

Spanish: <https://medlineplus.gov/spanish>

MedlinePlus® Connect

A free service for health IT systems, patient portals, and electronic health records (EHRs) to link to targeted, consumer-friendly patient information from MedlinePlus.

<https://medlineplus.gov/connect>

National Network of Libraries of Medicine (NN/LM)

Program coordinated by the National Library of Medicine to advance the progress of medicine and improve public health by providing equal access to biomedical information and improving the public's access to information.

<https://nnlm.gov>

Newborn Screening Coding and Terminology Guide

Downloadable standard codes and terminology for newborn screening tests and conditions as well as guidance for HL7 electronic messaging.

<http://newbornscreeningcodes.nlm.nih.gov>

People Locator® and ReUnite®

Enables family, friends and neighbors to locate or report missing people during a disaster event.

<https://lpf.nlm.nih.gov>

Public Health Partners

Selected public health resources for the public health workforce.

<http://phpartners.org>

PubMed®/MEDLINE®

Bibliographic database comprising millions of citations from biomedical literature, life sciences journals, and online books.

<http://pubmed.gov>

Resources for Public Health Professionals

PubMed Health

Online reviews of clinical effectiveness research, with easy-to-read summaries for consumers and full technical reports for public health professionals.

<http://ncbi.nlm.nih.gov/pubmedhealth>

PubMed for Handhelds

Brings medical information to the point of care via mobile devices. Includes tools for searching by text message (askMEDLINE and txt2MEDLINE), applying clinical filters (PICO) and viewing summary abstracts (The Bottom Line and Consensus Abstracts) in PubMed/MEDLINE, and evaluating the use of these tools in Clinical Decision Support.

<http://lhncbc.nlm.nih.gov/project/pubmed-handhelds>

Quality Improvement (QI) Quick Guide

Online guide for public health practitioners to help determine which resources to use for QI initiatives.

<http://phf.org/quickguide>

TOXNET®

Databases on toxicology, hazardous chemicals, environmental health, and toxic releases.

<http://toxnet.nlm.nih.gov>

TOXMAP®

Geographic Information System (GIS) that uses maps of the United States to help users visually explore data from the EPA's Toxics Release Inventory (TRI) and Superfund programs.

<http://toxmap.nlm.nih.gov>

Tox Town®

Guide to commonly encountered toxic substances. Also, includes classroom materials.

<http://toxtown.nlm.nih.gov>

<http://toxtown.nlm.nih.gov/espanol>

Emergency/Incident Planning and Response Chemical Hazards Emergency Medical Management (CHEMM)

Web-based application to assist emergency responders, health care providers, and planners in planning for, responding to, and recovering from the effects of mass casualty incidents involving accidental or terrorist chemical releases.

<http://chemm.nlm.nih.gov>

Disaster Lit: Resource Guide for Disaster Medicine and Public Health

A database of free resources related to disaster medicine and public health including guidelines, research reports, tools, and websites that address disaster preparedness, response, and recovery.

<http://disasterlit.nlm.nih.gov>

Radiation Emergency Medical Management (REMM)

Guidance for health care providers about clinical diagnosis and treatment of radiation injuries from radiological and nuclear incidents.

<http://remm.nlm.nih.gov>

Wireless Information System for Emergency Responders (WISER®)

Application for emergency responders and health care providers to prepare for, respond to, and recover from hazardous material (HazMat) incidents.

<http://wiser.nlm.nih.gov>

NLM Mobile Sites and Resources with Apps

Guide to NLM mobile resources and applications. Browse by type, device, or tags.

<https://www.nlm.nih.gov/mobile-app>

One-stop location for links to NLM e-resources including datasets, biomedical databases, application programming interfaces (APIs), Web-based and mobile applications.

https://wwwcf2.nlm.nih.gov/nlm_eresources/eresources/search_database.cfm

Disaster Apps for Your Digital Go Bag.

<https://disasterinfo.nlm.nih.gov/apps>

Follow, Fan, and Connect with NLM

Twitter, Facebook, RSS feeds, e-mail lists, news updates.

<https://www.nlm.nih.gov/socialmedia>

NLM Promotional Materials

Provides access to promotional materials for print and download.

https://sis.nlm.nih.gov/outreach/promotional_materials.html
